Dear Parents/Carers and members of the Kingstone Community

It is with great sadness that we write to inform you of the passing of David Richards. As many of you will be aware, David was Headteacher of Kingstone School from its inception in 1987. He served the school and community with incredible loyalty and dedication for 16 years until his retirement in 2003. David had been suffering a long illness, but died peacefully with his family by his side on the evening of Friday 4 November.

The school and the wider community owe David Richards a real debt of thanks. The staff and governors at the school are aware that there can be no better way of celebrating the legacy that David left behind, than by continuing to serve this school and this community to the best of our ability.

Thank you for your continued support.

Yours sincerely,

I. Ellam
